# PLASTO ISPACK 2012

The 13<sup>th</sup> International Exhibition  
For Plastics Rubber & Packaging

**Plasto Ispack 2012 – the 13<sup>th</sup> International Exhibition for Plastics, Rubber and Packaging has already become a tradition with all those involved in the industry in Israel and worldwide.**

Every three years the Exhibition offers those in the field, in Israel and abroad, the opportunity to get acquainted with the exciting developments in Israel's high tech plastics, rubber and packaging industries, leaders in the Middle East. It is an opportunity to be updated regarding the latest innovations in the field and to make business contacts, both local and international.

**Plasto Ispack 2012** is organized by the Israel Trade Fairs and Convention Center, in cooperation with the Society of Israel Plastics and Rubber Industry, the Israel Institute of Packaging and Design, the Israel Export & International Cooperation Institute under the auspices of the Ministry of Industry, Trade and Labor.

**Plasto Ispack 2012** is a showcase displaying new frontiers in technology and innovations in plastic, rubber and packaging in Israel and worldwide. The exhibition is spread over 20,000 sqm. encompassing the latest international technological innovations in machinery and peripherals, molds, packaging material and equipment, raw materials and finished products.

More than 500 companies and exhibitors from Israel and abroad participated in the last exhibition in 2009 with more than 30,000 visitors. The Exhibition Center expects to welcome thousands of visitors, buyers and well known professionals from Israel and abroad to **Plasto Ispack 2012**.

**Plasto Ispack 2012** is the largest and most comprehensive exhibition in Israel spotlighting global innovations in Plastics, Rubber and Packaging.

**Conferences and Seminars:**

Professional conferences will be held during the exhibition.

**Business Club:**

As part of the exhibition, you are welcome to use the prestigious Business Club for your meetings with CEO's, decision makers, guests and clients in a pleasant atmosphere conducive to conducting business.

**Opening Hours:**

Tuesday, October 16<sup>th</sup> to Thursday October 18<sup>th</sup>,  
10:00 – 19:00

**We invite you to participate in the exhibition which will enable you to meet and focus on the relevant professional target community and to survey the innovations in the field as well as to develop business contacts for your company.**

# PLASTO ISPACK

## Your Getaway To The Latest Innovations In The Plastics, Rubber and Packaging Industry

### LIST OF CATEGORIES

- Auxiliary Equipment
- Colour Masterbatches Compounds, Additives & Concentrates for the Plastic Industry Construction
- Household & D.I.Y Products
- Electrical, Electronic & Communication Products
- Elastomer Products
- Extruders
- Films & Flexible Packaging
- Foam Products
- Infrastructure Piping & Irrigation Accessories
- Injection Molded Industrial Products
- Injection Molding Machines
- Laboratory Measurement, Testing & Quality Control Equipment
- Machinery: Blow Molding, Vacuum & Thermo-Forming Machines, Compression Molding
- Molds: Manufacturer, Supply, Repair & Maintenance
- Office & Advertisement Equipment
- Packaging Products
- Packaging Raw Materials
- Plastics & Rubber Raw Materials
- Plasticulture
- Plastics Recycling
- Raw Material Handling, Metering, Feeding & Weighting Equipment
- Raw materials for eco-friendly "green plastics."
- Research & Development
- Rigid Packaging: Containers, Covers, and Bottles
- Secondary Processing Machines
- Services for The Packaging Industry
- Stickers
- Wood Pallets

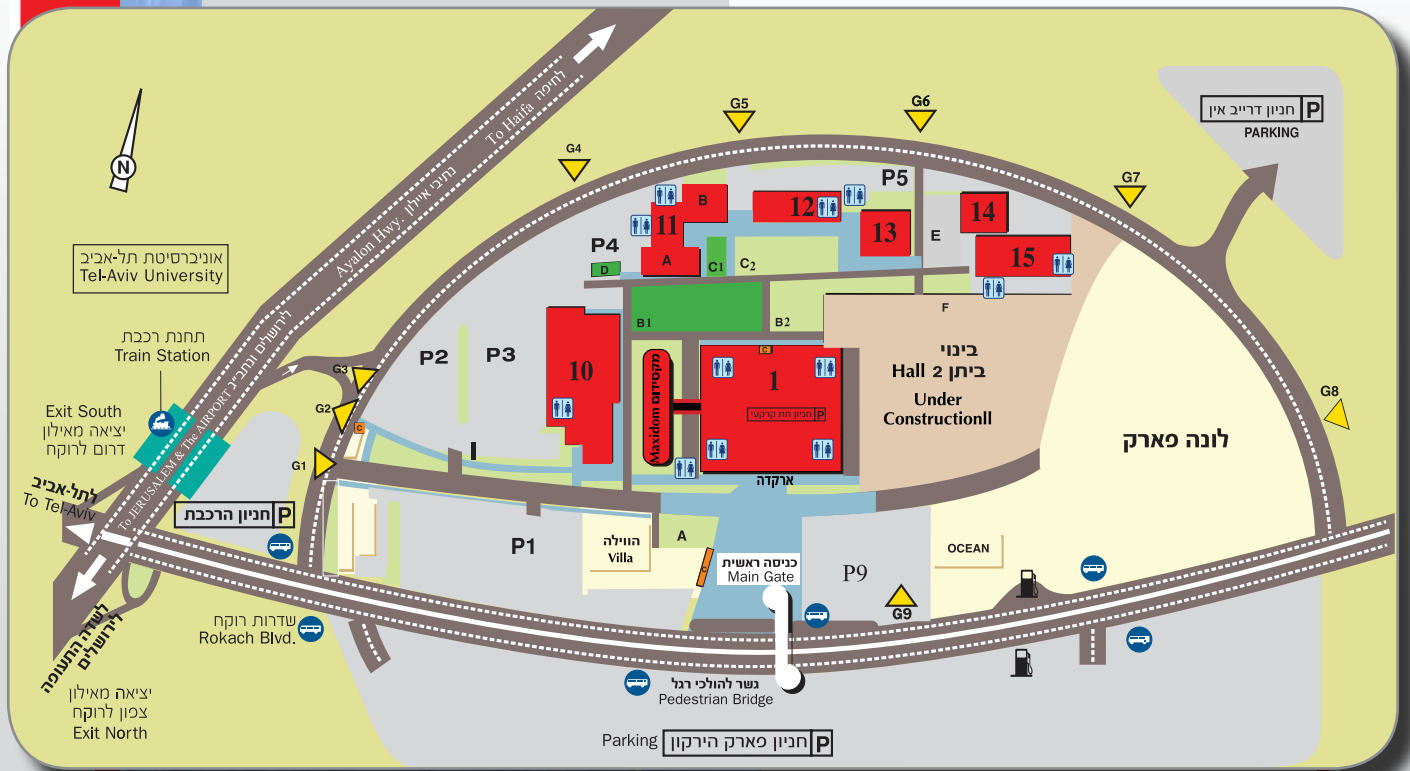

### Participation Fees:
